COSCO SHIPPING Lines (Canada) Inc.

***** Notes on page 2 *****

Notice:

1. The inbound DND hereby will commence at 00:00AM on the next day of full container discharged till the day of empty container returned to COSCO Shipping designed depot or terminal.
2. The Outbound DET hereby will commence at 00:00AM on the first day of empty container picked up till the day when laden container is returned to COSCO Shipping designed facility.
3. The tariff is calculated by working day during free time. After free time, it would be calculated by calendar day.
4. The tariff does not include any storage and reefer charges at port, all these charges should be paid by the customer directly.
5. The tariff will cover both CY and DOOR term.
6. This adjustment is applicable to Canadian shipments on all service Lines.
7. The adjustment will be effective from July 1st, 2017.
8. The new tariff will be effective based on the date when POL receives the full container for import and on the date when customer picks up the empty container for export.

If you have any questions, please contact the concerned COSCO Shipping Customer Service or Sales Representative.
